BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—a mild but sure laxative, and their effect on the liver is almost instantaneous. These little, colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong cathartics. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 10c and 25c.

Surprise Party. Miss Sarah Watts was the honor guest last evening at a surprise party which was given her by a number of her classmates in the High school. The affair was held at the home of her parents, Attorney and Mrs. R. A. Watts, in Pierpont avenue and was in celebration of her sixteenth birthday anniversary. The guests wore masquerade costumes and the appointments were suggestive of the Halloween season. Twenty young people enjoyed the evening. Refreshments were served.

What Neighbors Say

Alexandria, Va.—"For many years I have suffered with stomach trouble and indigestion; my liver would become inactive and sluggish. These ailments have given me great deal of distress and worry. Just recently I was advised to take Dr. Pierce's Pleasant Pellets and I find them excellent. They act on the liver and regulate the bowels and they have given me more real relief from my ailments than any medicine I have ever taken."—MRS. EMMA POSEY, 114 N. West St.

The Family Tonic

Petersburg, Va.—"Dr. Pierce's Golden Medical Discovery has been my family tonic and builder for several years. I consider it the most reliable tonic on the market and I keep it in my home all the time for future use. The 'Pleasant Pellets' I find most satisfactory also with any of my family complains of stomach, liver and constipation. I have also taken the 'Favorite Prescription' during motherhood and my health was perfect all the while. I can truthfully say that 'Favorite Prescription' means good suffering and it is always a pleasure to recommend the 'Pleasant Pellets' to expectant mothers, as well as Dr. Pierce's other remedies to those who need such medicines."—MRS. H. H. HAMILTON, 916 Hinton St.

Blood Diseases

Alexandria, Va.—"Dr. Pierce's Golden Medical Discovery has been a wonder for members of my family. When my daughter was about two years old she broke out on her arms with eczema; the doctor called it 'baby scum.' They were a mass of sores and when the bandages were removed would bleed. I had medicine from the doctor but it did not help her. He said she would have it every year, especially in springtime. At last I began giving her the 'Golden Medical Discovery' and one bottle completely cured her and she has never had any return, or sign, of it since. I have also given it in cases of bronchitis and it was always very quick in giving relief."—MRS. J. W. KING, 1207 Prince St.
